

Home Page

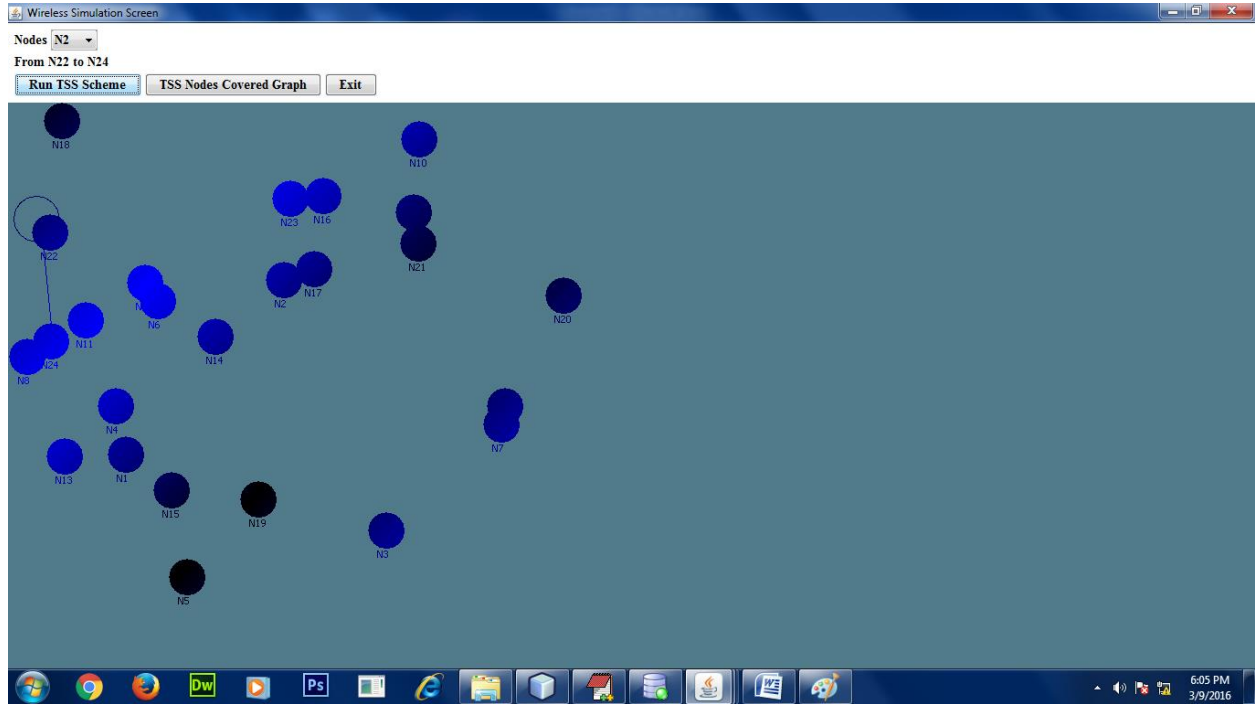

Enter node no and RC (Recidual Coverage) Threshold

Wireless simulation Screen

Select source and run TSS Scheme to schedule broadcast from upper,middle and lower node coverage

After Transmission

Node Designing Form

TOWARDS OPTIMAL BROADCAST IN WIRELESS NETWORKS

Simulation Configuration Screen

Node Size:
 RC Threshold:

```

List1 Source N2 covered nodes
N6 N14 N16 N17 N23

List2 covered nodes
N4 N11 N12 N22 N24 N9 N10 N21

List3 covered nodes
N1 N8 N13 N15 N18

User given threshold 2

Threshold reset based on coverage 8
Upper RC : 8
Middle RC : 5
Lower RC : 5
  
```
